

Make A Paper Plate Owl

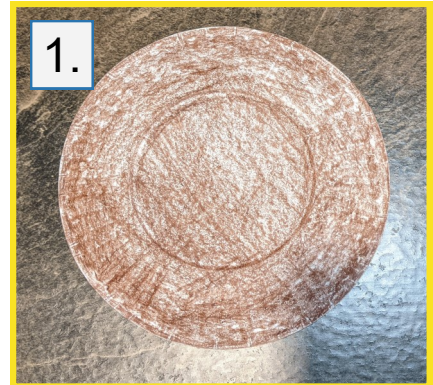

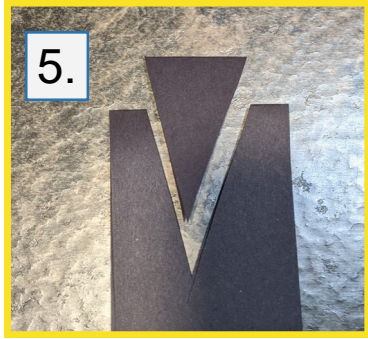

Paper Plate Owl Directions

Materials: Paper plate, white and brown cupcake wrappers, orange/yellow and black paper circles, black square, brown crayon, glue

Directions:

1. Color your paper plate with the brown crayon.
2. Glue the white cupcake wrappers to your plate.
3. Glue the colored and black circles layered inside the white wrappers for the eyes.
4. To make the wings, fold the brown wrappers in half and glue them underneath the owl's eyes.

5. To make the beak, fold the black paper in half and cut out a triangle on the folded edge

6. Glue on your beak.

7. Hoot Hoot! You're done! You can fly off with your new owl friend.
