

Make Pasta Flower Art

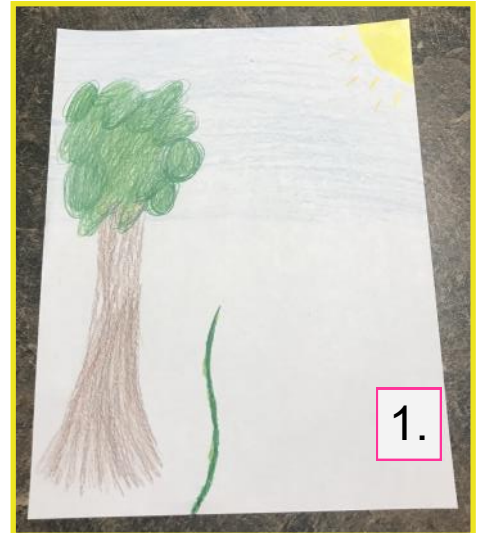

Do not eat the pasta!

Pasta Flower Art Directions

Materials: White paper, pasta noodles, glue, colored pencils

Directions:

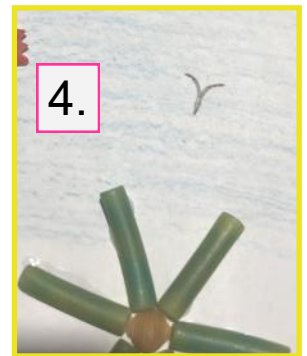

1. Create a background for your flowers on the white paper.
2. Color your noodles. You can use the bowtie pasta as leaves, butterflies or both.

3. Glue the pasta in place.

4. If using bowties as butterflies, make sure to draw the antennae before gluing pasta.

5. You can add more to your background after gluing down your pasta.
