

Make a Pony Bead Owl Keychain

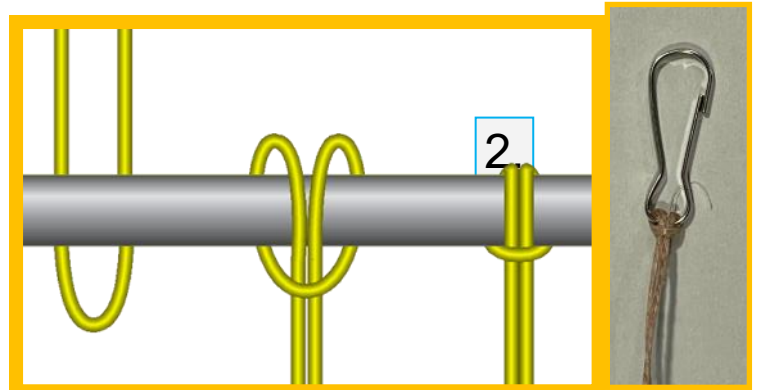

Pony Bead Owl Keychain Directions

Materials: string, keychain/clip, pony beads: 26 brown, 11 white, 3 orange, 2 yellow

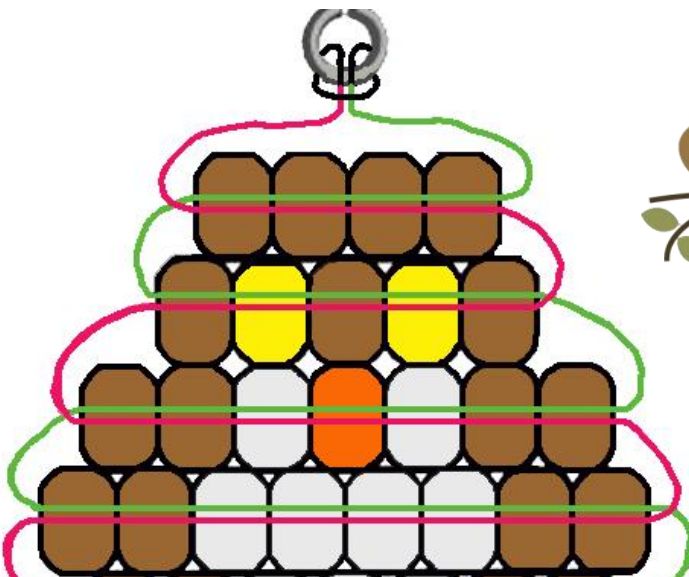

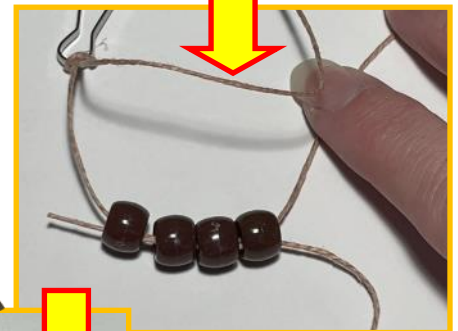

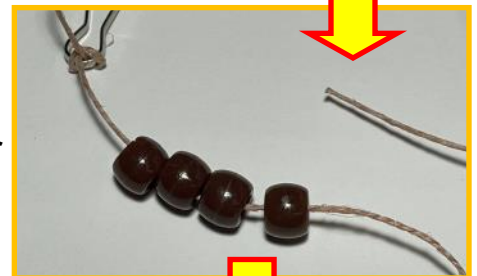

Directions:

1. If you are missing beads, please ask a staff member for replacements.

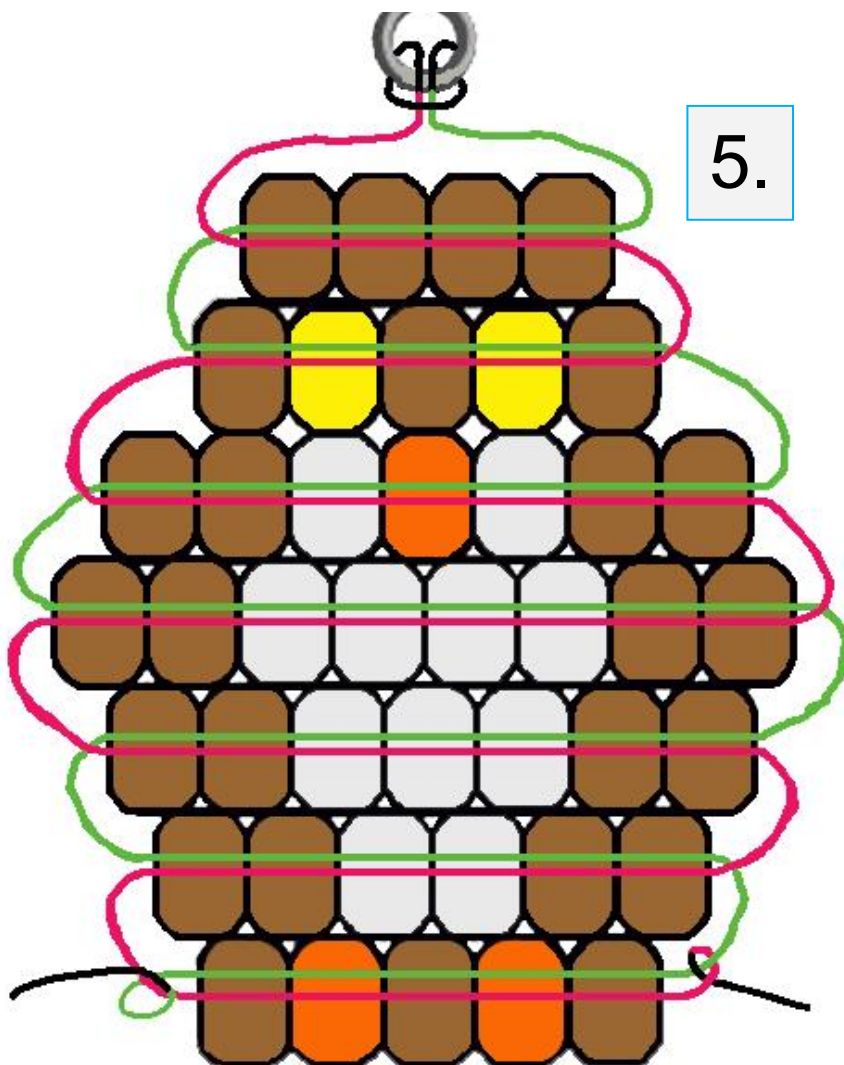

2. Start by tying the keychain/clip onto the center of the string. Fold the string in half to find the center. Use a cow hitch to secure to the clip. Use the pictures for help. Tape the hook to the table if need stability to lace beads.

3. Lace beads using the pattern in the picture as a guide. Start with the first row. Using one end of the string (pink in image), lace on 4 brown beads, then run the other string end (green in image) back through the beads the other way so that the strings cross and come out either side.

4. Move on to the second row of beads. Again using one end (pink in image) of the string, lace on in order 1 brown, 1 yellow, 1 brown, 1 yellow, and 1 brown bead. Then run the other string end (green in image) back through the beads.

5.

4.

5. Continue stringing rows of beads following the pattern.

6. At the end, finish by tying off with a overhand knot (shoestring knot) on each string end, tying around the string above.

Use a couple of knots to secure.

6.

7. Hang your beaded owl on your backpack, purse, keychain or other locations to show it off!

8. Please leave your baggie and extra beads in the bin on the porch.
