No Maintenance Terrarium | 10 a.m.-1 p.m. | \$5

We're not "mossing" around with this craft! If you're looking for a fun and easy way to bring a touch of nature into your home, making your own DIY terrarium might just be the perfect project for you! There will be no plants harmed in the making of this terrarium, and no need to EVER water it! We will be using fake plants and will have a variety of items to add a personal touch to your terrarium! This craft will be using hot glue, so some of our crafters may need more help than others. *(A punch pass may be used to receive a discounted rate for this craft. This pass can only be purchased at the Ticket Tent at the Pavilion.)*

SUNDAY

Happy Little Yarn Clouds | 10 a.m.-12 p.m. | \$3

Keep the gray clouds away with this whimsical decoration that is a perfect touch for any room! You'll be making your very own cloud out of yarn and cardboard to hang anywhere you may need an extra smiling face! This craft will involve cutting cardboard and the use of hot glue, so some crafters may need additional assistance. The sky really is the limit for decorating this craft and we can't wait to see what you will make! *(A punch pass may be used instead of purchasing this craft. This pass can only be purchased at the Ticket Tent at the Pavilion.)*

Grass Friend | 1 p.m.-3 p.m. | \$3

Have you ever wanted to bring some life and greenery into your home, but don't have the time or space for a full-fledged garden? Well, look no further than the adorable and easy-to-make grass friend! This craft is great for the whole family, and you'll just need to be able to follow simple instructions. Your newest friend is a bit high maintenance and will need to stay watered and in a sunny spot. *(A punch pass may be used instead of purchasing this craft.
