Fall bird migration is starting this month as shorebirds move back south from Canada and the northern United States. By the end of August and early September we will see other birds like warblers and vireos moving as well. Take a walk along the trails near the Nature Center this weekend while playing this unique migration game. Kids and adults of all ages will play the part of a bird facing the challenges of migrating south for the winter. See if you can survive making it to your winter home during this activity. The trail will take you on a 0.3 mile walk through the woods on a gravel trail. Experience nature from the point of a bird! Stop by the Nature Center to pick up a guide to the activity.

Much like the marble painting, this craft requires no paint brush. However, it is a very different and unique way of painting. This craft will also use acrylic paint, so be careful not to spill any on your clothes!

#### **SUNDAY, AUGUST 13**

Cupcake Pencil Topper | 10 a.m.-12 p.m. | \$2

Cupcakes certainly fit within the theme of "Life Is Sweet." Because school will be starting soon as well, we've decided to make the perfect pencil topper for you to have your own unique pencils at school this year!
