NATURE CENTER HAPPENINGS

Free Craft: Crescent Moon and Stars

Saturday 10 a.m.-2:30 p.m. & Sunday 10 a.m.-1:30 p.m. | Nature Center Screen Porch

The moon seems bigger and brighter in the autumn no matter if it's a crescent or full shape. Race over to the Nature Center this weekend to create this crescent moon out of a paper plate with star beads. Then head outside and look for the half moon this weekend at night! While supplies last.

Bird Watching Walk

Saturday 9 a.m. | Nature Center

Bird watchers can join Nature Center Manager Alyssa to look for fall migrating birds around the Woodhaven property, specifically looking for warblers, vireos, and thrushes. This slow, quiet walk will specifically be looking at birds that may be high in trees, so you'll need to bring binoculars and keep your eyes to the skies! Don't forget to dress for the weather as we'll go rain or shine.
